Teena koe Kate,

As Waikato-Tainui are now under a new resilience plan moving forward after the Covid-19, Wikitoria Tane will now lead any resource consents on behalf of Waikato-Tainui.

Any further emails regarding any resource consents from you to ensure a smooth process must:

1. Use the Tai Tumu, Tai Pari, Tai Ao Waikato-Tainui Environmental Plan ("the Plan") to guide the applicant for any pre-engagement with Waikato-Tainui prior to lodging resource consents;
2. Undertake chapters within the Plan relevant to the resource consent to ensure that any mitigations must out-weight the environmental and cultural harm from those resource consent application and must be accepted by Waikato-Tainui
3. Meeting objectives of the Vision and Strategy of the Waikato River. Usually this may require engagement with Waikato-Tainui to understand the intent of those objectives.

Ngaa mihi

Lorraine
