Subject: RE: CIA Fill Area 3 & Hui 23 March 2021 - Feedback

Kia Ora Norm,

Thank you for facilitating the discussion at the Hui yesterday and providing the feedback so swiftly. Kei te pai.
From our call yesterday, our understanding for the way forward is as follow:

- The presentation and CIA for Fill Area 3 was provided to all members at the Hui yesterday.
- The members will review the information provided for Fill Area 3 and a Te Roopu Putaiao internal zoom meeting will be scheduled for **30 March 2021** to allow members to raise any questions/concerns. Facilitated by Norm
- Another hui will then be scheduled with the Applicant for the following week (**6 April 2021)** in order to resolve questions/concerns and to present the application (again) to all members.
- It is therefore anticipated that by the 6th of April 2021 (around about) we would have a statement from Waahi Whaanui Trust regarding the proposed Fill Area 3. Correct

Please confirm whether the above is correct.

I have also attached the Fill Area 3 AEE & Appendices email & link which we have submitted to WRC on Friday 19 March 2021. Tah

Do not hesitate to contact either myself or Kate to assist or clarify. Thank you

Please note, the CIA for fill area 5 was retrospectively endorsed.

Kind regards,
Biance Schoeman
Planner – Paua Planning

Subject: RE: CIA Fill Area 3 & Hui 23 March 2021

Kia Ora Norm,

As discussed this morning, please find attached the presentation that we will be presenting or that you can use for background purposes when you present the CIA.

I am at the quarry today and available to come and present and clarify any questions if required.

Kind regards,
Biance Schoeman

Kia Ora Norm,

Thank you for the update.
Yes we would like to attend if this would be helpful.
Can you please send through the details of the meetings.

Kind regards,
Biance Schoeman

Subject: Re: CIA Fill Area 3

I have sent the CIA out and I am finally getting feedback.

Therefore I have arranged a hui next Tuesday for TRP for approval for the report.

You want to attend? 10am.

Norm

Kia Ora Norm,

Just wanted to check whether there is anything that we can assist with for the CIA for Fill Area 3 in order to finalise for submission to WRC?

Subject: RE: Maatauranga Maaori Environmental Monitoring Plan (MMEMP)

Kia Ora Norm,

Please find attached the updated CIA which refers to FA3 only.
The CIA revision which I used to amend was dated 12 September 2020.

The key changes which I have made in track changes are:

- Removing any reference to Fill Area 2 & Fill Area 4
- Removing any concerns relating to the bats, Lake Puketirini and Lake Waahi
- Removing any management plan(s) or monitoring requirements relating to the bats, Lake Puketirini and Lake Waahi
- Emphasizing that the proposed compensation will be the entire Compensation area 4 (approximately 3.9ha).
- Describing that the loss of a heavily modified wetland of 700 m^2 in Fill Area 3 will be compensated with approximately 5,816 m^2 of wetland habitat in Compensation area 4 resulting in a restoration ratio of 8:1 (gain:loss).

Please give us a call should you wish to discuss in more detail.

Subject: Re: Maatauranga Maaori Environmental Monitoring Plan (MMEMP)

Yes. Please make the changes to reference fill area 3 only. I will send the document to Te Roou Putaiao for review, comment and endorsement.

This is where the ecological betterment needs to be emphasized.

Ka pai Norm – we will have a read and maybe we can suggest a framework for Huntly based on this?

Also, I suggested Biance could make tracked edits to your Cultural Values Assessment for the managed fill application to reflect just Fill Area 3 – would this be of assistance? Please note we

are still protecting and enhancing the entire compensation area that was proposed for FA2-4 under the revised application for FA3.

Kia Ora
