Kia Ora Norm, Hori and WWT representatives,

Thank you for making contact.

I can advise that we will be lodging a comprehensive updated application for Gleeson Managed Fill which includes Fill Areas 2, 3 and 4 by early April at latest.

I will send a link to the application through to both Norm, Hori and also Waikato-Tainui at the time of lodgement.

In regard to the renewal of the Gleeson Quarry Regional Consents, which is a separate suite of applications lodged back in 2020, I will provide an updated link to the application and documents within the next week or so – I am on leave from tomorrow, back for 3 days next week and then away again until 30th March. There is a lot of information, so I do want to make sure it is organised for easy access before providing a link.

Ngā mihi maioha

Kind Regards,
Kate Madsen

Teenaa koe Kate.

Following our discussion today regarding the status of Glesson and Cox Managed Fill application and also the suite of regional operational consents and response due under S92, please direct all queries and information to Hori.

I have ccd the Whanui Board executives as a matter of transparency.
