..... (Mr / Mrs / Ms / Miss)

This is a submission on **Variation 13: Te Kauwhata Structure Plan** Rezoning of land on  
The specific provision of the Variation that my submission relates to is Waerenga Road and  
Amendment Number Roto Street

Other identification – eg Attachment, Schedule, Paragraph or Map Number Map 26

**My submission is:** (Include whether you support or oppose the specific provision, or wish to have it amended, and the reasons for your view.)

I oppose the rezoning of above specified area to Light Industrial.  
Visitors to this area always comment on how fortunate we are to have such a  
spectacular natural street view of rural landscape, lake and ranges. To  
destroy and replace this special resource with a concrete jungle view of  
10 metre high industrial buildings is both thoughtless and ludicrous.

To completely appreciate this unique asset, and what it will mean to  
lose it, you need to be a local resident or frequent visitor, which  
obviously none of the Council planners and decision makers are.

seek the following decision from the Waikato District Council: (give precise details)

To retain the existing residential living zone, or better still to  
provide a combination of residential and recreation zones,  
which a growing community requires.

I would suggest you take your light industrial plan to the  
vast area of land between Wayside Road and State Highway 1,  
which would appear to be a logical use for this land.
