This is a submission on Variation 13: Te Kauwhata Structure Plan

The specific provision of the Variation that my submission relates to is Amendment Number 21A.19

Other identification – eg Attachment, Schedule, Paragraph or Map Number 25A

My submission is: (Include whether you support or oppose the specific provision, or wish to have it amended, and the reasons for your view.)

I am opposed to the rezoning of the Country living area Te Kauwhata West to living Zone (Travers Rd, Moorfield Rd, Martin Rd area). I know what council are trying to achieve but see it being abused by developers poised to put in low cost housing and starting an irreversible trend in this area. I feel it is against what Council has envisaged and what I and many others who moved and invested in this area want to see happen.

I seek the following decision from the Waikato District Council: (give precise details)

To see these areas stay as Country living. I applaud what council is trying to do with Te Kauwhata, develop a Country Village Area. Careful planning will be needed that these aims won't be lost or abused.
