The specific part of the notice of requirement that my submission relates to is: (Give details)

Rezoning of Land to light Industrial on lot 1 DPS 75006 BLK XV Maramarua SD.

Valuation Roll No 04390/330.00

My submission is: (Include whether you support or oppose the specific part of the notice of requirement, or wish to have it amended, and the reasons for your view.)

We oppose the zone change to light Industrial on land that is already zoned Living. As we consider Living zone is the best use for this land. We believe that the Tekauwhata area in general which includes the Hampton Downs race track is well catered for now and into the future, with land for industrial + commercial use.

I seek the following decision from the Waikato District Council: (give precise details including the general nature of any conditions sought)

That lot 1 DPS 75006 BLK XV Maramarua SD of land area be left as originally zoned "Living"
