Choir Singing at the Country Club

Our choir walked over in the frost last Friday, to perform a selection of songs to the Independent Living occupants of the Country Club. Our choir made us very proud with beautiful singing, great volume and lovely solos and duets. The audience were very appreciative and loved the performance. The choir also enjoyed a lovely morning tea after the show.

Cross Country

Thank you to everyone who was able to join us and enjoy our Cross Country on Monday. Our young athletes made us all so proud with their kia maia, can-do attitude, and the effort every runner put in. We were also very impressed with the Kia Manaaki - respect and behaviour shown by our aakonga/students and the Kia Kotahi way they supported each other.

Thank you to all our families/whaanau who ensured everyone was ready to run in whaanau shirts and covered shoes. Also, for helping out around the course, and for all spectators on the day, who kept away from the course, so runners could see where they were going and achieve their goals.

This year our City and Country Cross Country events have been swapped around, due to the Hamilton Gardens developing an area where the elite City Cross Country Competition will be running. Hence, our very top runners will be heading off next week to compete against a larger group of schools on Thursday 27th August.

In Week 7, on Thursday 3rd September we will be having the Country Cluster schools join us, allowing more of our athletes to experience an interschool event.
