Attachment 1 - RPWCB Minutes - 26 October 2023

Minutes for a meeting of the Rural Port Waikato Community Board held in the Wairamarama Community Hall, 1410 Wairamarama Onewhero Road, Onewhero on **THURSDAY**, **26 OCTOBER 2023** commencing at **6.32pm**.

Present:

Mr B Cameron (Chairperson) Mrs R Costar Ms L Fry Cr CA Eyre

Attending:

Mr J Gillespie (Roading Contract Manager, HEB)
Mr R MacCulloch (General Manager Customer Support)
Mrs L Wainwright (Democracy Advisor)
Ms K Walter (The Port Waikato Residents and Ratepayers Association Incorporated)
Ms K Reese (Wairamarama Community Incorporated)
Mr A Caldwell (Glen Murray Hall Association)
6 members of the public.

APOLOGIES AND LEAVE OF ABSENCE

Resolved: (Mrs Costar/Cr Eyre)

THAT the Rural Port Waikato Community Board:

a. accepts the apologies from Ms F Coker-Grey and Cr Matatahi-Poutapu for non-attendance.

CARRIED RPWCB2310/01

CONFIRMATION OF STATUS OF AGENDA ITEMS

Resolved: (Mrs Costar/Ms Fry)

THAT the agenda for the meeting of the Rural Port Waikato Community Board held on Thursday, 26 October 2023 be confirmed:

- a. and all items therein be considered in open meeting; and
- b. all reports be received.

CARRIED RPWCB2310/02

DISCLOSURES OF INTEREST

Mr Cameron advised members of the Board that he would declare a non-financial conflict of interest in part of item 6.2 [Rural Port Waikato Community Board Discretionary Fund Applications - Glen Murray Hall Association] as he was a member of the Hall Association.

CONFIRMATION OF MINUTES

Resolved: (Ms Fry/Mrs Costar)

THAT the minutes for a meeting of the Rural Port Waikato Community Board held on Thursday, 14 September 2023 be confirmed as a true and correct record.

CARRIED RPWCB2310/03

PUBLIC FORUM

The following issues were discussed:

- Mr Gillespie, HEB introduced himself to the Board and advised that he was the Roading Contract Manager for the North Waikato roading corridor.
- A member of the HEB team drove the corridor on a regular basis and noted any roading issues which were fed back to Mr Gillespie and Waikato District Council.
- It was noted that under the COPTTM (Code of Practice for Temporary Traffic Management), Central Government had tightened up regulatory regimes around roading earthworks.
- Funding for roading had been obtained following a tour of the roading network with a Waka Kotahi representative.
- Communication from Council to the Wairamarama ratepayers was poor. It was felt that Council was losing credibility with the lack of communication being given to some communities.

- Brien and Ponganui Roads had become dangerous due to logging trucks damaging the roads.
- The process for customer requests was that requests were received, the action would be completed and signed off and reported back to the team. Auditing of the request/process would then take place.

REPORTS

Discretionary Fund Report to 16 October 2023 Agenda Item 6.1

The report was received [RPWCB2310/02 refers] and no discussion was held.

Rural Port Waikato Community Board Discretionary Fund Applications Agenda Item 6.2

The report was received [RPWCB2310/02 refers] and discussion was held on the following matters:

Port Waikato Residents & Ratepayers Association

Ms Walter outlined the application and answered questions from the Board. It was noted that:

• There were three (3) events to be held over the Christmas and New Year period and the Association was seeking funding for the following:

Christmas Parade - \$500.00 towards a sausage sizzle, prizes for floats entered in the parade and traffic assistance;

The Kids Beach Dig - \$300.00 towards prizes for this event; and

Music in the Gardens - \$1,200.00 towards petrol vouchers for musicians taking part in the event.

- The Port Waikato Fire Service assisted the Association with the Christmas Parade.
- Receipts would be provided to the Board following the events.

Minutes: 26 October 2023

Resolved: (Cr Eyre/Mrs Costar)

THAT the Rural Port Waikato Community Board:

- a. approves an allocation of \$2,000.00 (incl. GST) from their Discretionary Funding account:
 - i. to Port Waikato Residents and Ratepayers Association Incorporated
 - ii. to hold a Christmas Parade 10 December 2023, Kids Beach Dig January 2024 and Music in the Gardens Cobourne Reserve February 2024.

CARRIED RPWCB2310/04

Wairamarama Community Incorporated

Ms Reese outlined the application and answered questions from the Board. It was noted that:

- Due to the increased frequency of adverse events, the Wairamarama community could be cut off at any time. A group called the Wairamarama Rural Hub had been formed and the aim of the group was to provide community services and education, opportunities to connect and improve wellbeing and to enhance the environment.
- The area relied heavily on the Ponganui and Allen & Eyres Road bridge which could be closed during weather events.
- The Hub was in the process of preparing a Civil Defence Plan.
- Wairamarama Hall is a central point for the community.

Resolved: (Mrs Costar/Cr Eyre)

THAT the Rural Port Waikato Community Board:

- b. approves an allocation of \$ \$2,570.25 (incl. GST) from their Discretionary Funding account:
 - iii. to Wairamarama Community Incorporated
 - iv. for electrical wiring upgrade of the Wairamarama Community Hall to allow a portable generator to be connected directly to the building.

CARRIED RPWCB2310/05

Glen Murray Hall Association

Mr Cameron vacated the Chair owing to declaring a conflict of interest and did not take part in discussion or voting. Ms Fry assumed the Chair for this item.

Mr Caldwell outlined the application and answered questions from the Board. It was noted that:

- The aim of the Hall Association was to ensure the public buildings on site were maintained to a high standard and were serving the needs of the local Glen Murray community.
- Funds from the annual Mr Motorcycles bike ride meant that the Hall Association, in the past, had not applied for funding from external sources. However, due to COVID, the event had not been held for three (3) year which resulted in the Association having to seek funding from other sources.

Resolved: (Mrs Costar/Cr Eyre)

THAT the Rural Port Waikato Community Board:

- a. approves an allocation of \$4,577.00 (plus GST) from their Discretionary Funding account:
 - i. to Glen Murray Hall Association,
 - ii. for repairs to the Church roof (external and some internal repairs to Church ceiling).

CARRIED RPWCB2310/06

Ms Fry vacated the Chair following discussion and voting on the above item.

Mr Cameron resumed the Chair for the remainder of the meeting.

Naike Community Centre

• The Naike Community Centre had withdrawn their funding application.

Works, Actions & Issues Report Status of Items August 2023 Agenda Item 6.3

The report was received [RPWCB2310/02 refers] and discussion was held on the following items:

Discretionary Fund Guidelines

ACTION: This item to remain on the schedule.

Port Waikato Stormwater Systems

ACTION: This item to remain on the schedule.

Graffitied Road Signs

• Cr Eyre had completed service requests on this matter.

Onewhero Area School Road Safety Improvements

- Communication between Council's roading engineer and the school principal had taken place. Road safety design plans would come back to the principal before implementation was carried out.
- A drop off point for the school children was important as crossing the road was a health and safety risk.

ACTION: This item to remain on the schedule.

Te Kohanga Playground Fully Fenced

- The new playground was located behind the Te Kohanga Community Hall adjacent to the Te Kohanga Rugby Fields.
- The only parking available was on the Tuakau Bridge Port Waikato Road outside the Community Hall with a narrow strip of metal on the road alongside the rugby fields.
- Currently, access was only available via climbing over a locked vehicle gate. The
 addition of a pedestrian gate at the Eastern end of the Kohanga Road fence line had
 occurred but there was no parking along Kohanga Road.
- The only other pedestrian access was to the left of the Community Hall where the
 access was an unmaintained paddock. It was recommended that a pedestrian gate be
 installed on the Tuakau Bridge Port Waikato Road side to match that on the Eastern
 end.

- This would enable better access for families to the playground. Ongoing discussions were being held with the Te Kohanga Rugby Club.
- Sunset beach toilets. Landuse and building consents had been lodged.
- Opuatia court renewal works were underway.
- Pukekawa tennis court renewal work would commence in February 2024.
- Onewhero Domain carpark upgrade designs had been completed, works had been awarded to a contractor and the project would be completed by April/May 2024.
- Signage would be erected re: freedom camping. On the bylaw map an area, under the trees, was still included as part of freedom camping parking. This was not correct. The only area that should be designated for freedom camping was at the back of the rugby club between the loop and the hedge.

ACTION:

Staff to investigate the bylaw maps for freedom camping areas at the Onewhero Domain and report back to the Board's next meeting scheduled for Thursday, 7 December 2023. Mrs Costar could be contacted for clarification on the freedom camping areas.

Waikato District Council Executive Update

Agenda Item 6.4

A verbal report was received on the following matter:

• Council was currently preparing for the Long Term Plan 10 year planning cycle with emphasis on the first three (3) years' projects and budgets.

<u>Chairperson's Report</u> Agenda Item 6.5

A verbal report was received on the following matters:

- Time had been spent at Waikato District Council discussing the Long Term Plan. It was noted that inflation costs were high.
- There was recognition that the Waikato roading network was falling behind which required an increase in the budget to mitigate improvements.
- Congratulations to Ms Kate Reese on her Mayoral award.

Councillor's Reports Agenda Item 6.6

A verbal report was received on the following matters:

- There was uncertainty following the general elections and the business being conducted within the first 100 days.
- Discussions would be held between local and central government on the structure of local government and how they were funded.
- \$11M in resilience funding had been set aside for areas impacted by Cyclone Gabrielle. Waikato District Council received \$2.4M from the fund. The Ministry of Social Development had given \$27,000.00 to Port Waikato residents affected by the cyclone. Council was mindful that other rural areas had also been impacted by the cyclone.
- Antenno app. This app could be used to report faults to Council. Photos could be attached to the fault reports and sent via the app.
- Council would be going to market for a new Chief Executive Officer as Mr Gavin Ion would be retiring in 2024.
- Engagement would be undertaken on speed management plans that would look at roads around halls/maraes which would have reduced road speeds. Community Boards/Committees, Hall Committees, Residents & Ratepayers and Reserve User groups would receive notification of this engagement.

Community Board Members' Reports Agenda Item 6.7

Verbal reports were received on the following matters:

- The Community Response Group had a productive meeting with Te Kotahitanga Marae on the community response plan.
- Drain clearing and roading issues were not being carried out in the Onewhero area. Culverts were blocked and flooding had occurred on properties.
- Water supply bylaw. Concern was raised that the bylaw could affect rural areas when
 residential development took place along with the proposal for one (I) meter per
 dwelling not per property. Consultation on the proposed bylaw would be undertaken
 between Thursday, 5 October 2023 to Sunday, 5 November 2023 and submissions
 would be heard on Wednesday, 22 November 2023 with Council adopting the bylaw
 on Monday, 18 December 2023.

There being no further business the meeting was declared closed at 8.29pm.

Minutes approved and confirmed this have

day of

2023.

DISCRETIONARY FUNDING GUIDELINES

How to make a funding application

Waikato District Council provides discretionary funding to assist community groups, non-commercial groups and voluntary organisations operating within the council's rural wards, community boards and the Te Kauwhata and Meremere Community Committees areas.

Funding Mechanisms

- 1. Waikato District Council Community Boards / Community Committees
- Waikato District Council Discretionary and Funding Committee

Who can apply?

Any community group, non-commercial group or voluntary organisation can apply for a grant. Specific criteria for each fund are as follows:

I. Waikato District Council Community Boards and the Te Kauwhata and Meremere Community Committees

Community boards and the Te Kauwhata and Meremere Community Committees allocate grants for events and projects in their areas. Applicants must outline how their event or project will contribute to the community board area and wider community. The relevant community board or committee has responsibility for determining grant applications in their area.

2. Waikato District Council Discretionary & Funding Committee

The Discretionary & Funding Committee allocates grants from the Rural Ward Fund. Rural grants are available for events and projects in rural areas and areas that are not served by Community Boards or the Te Kauwhata and Meremere Community Committees. Applicants must outline how their event or project will contribute to the community Rural area and wider community. The Discretionary & Funding Committee has responsibility for determining grant applications in the Rural area.

3. Criteria for grants

Applications are required to meet the following criteria:

- Applications will be accepted from community groups, non-commercial groups and voluntary organisations. Applications from individuals will not be accepted.
- b) Applications will need to be made to the relevant community board or committee, or to Council's Discretionary & Funding Committee.

- c) Applications for Christmas parade/events will need to be made to the relevant community board or community committee.
- d) Applicants need to describe in their application why the event or project is important to the community and how the wider community will benefit by the event or project.
- e) Applicants can have in-kind contributions recognised in terms of the non-grant funding component provided they demonstrate good community engagement.
- f) Applications must detail how the monies sought will specifically be used and how the balance of the monies required for the event or project will be obtained.
- g) Capital expenditure items may be considered for grant applications.
- h) Applicants can make more than one application for a grant within a 12-month period provided that the grant being sought is for a different project or event and an accountability statement has been completed.
- i) Applications may be considered from schools where the Ministry of Education will not fully fund the project and the benefits are for the wider community.
- j) Grants will not be considered for events or projects that have already occurred / projects completed (i.e. no retrospective funding).
- k) Grants will not be given to oppose consent decisions, attend conferences or to contest legal cases.
- I) Applications from commercial entities will not be considered.
- m) All applications will need to provide the relevant template describing the event/project, budget and relevant quotes.
- n) The project or event must take place in the Waikato District Council area of jurisdiction.
- o) Council-owned property i.e. halls managed by hall committees and who receive a targeted rate are not eligible for funding.

Eligibility Criteria

Applications are required to meet the following criteria:

- a) Applicants must be either a community groups, non-commercial groups and voluntary organisations
- b) Successful applicants must complete a project accountability report within 2 months of the completion of the project before being eligible for further funding. This is essential for auditing requirements.
- c) Applicants may be required to attend the community board / community committee and the Discretionary & Funding Committee to present their application.

Funding Rounds

Applications to be presented to the boards/committee's chair or funding representative two weeks prior to the next scheduled meeting.

Presenting your application

What is your organisation's purpose/background	For over 100 years, the Wairamarama community has adapted to meet the changing needs of its people. Recent challenges – the increase in farming-related regulations, the increased frequency of adverse events, the purchase of pastoral land for carbon farming, and the COVID-19 pandemic – have reinforced the need to adapt and evolve again. The negative impact of these events on our community is magnified by our geographical isolation and our limited access to services. With support from MPI, we formed the Wairamarama Rural Hub in 2021 – a community initiative to provide community services and education, provide opportunities to connect and improve wellbeing, and enhance our environment.

What is your event / project, including date and location?	The Wairamarama Golf Invitational has been a popular annual community event for over a decade (except for two COVID years). The event consists of nine holes of ambrose* golf at the Onewhero Golf Course, followed by prizegiving and a catered dinner in the clubhouse. Golf teams are mixed golfers, non-golfers, older kids - and emphasis is on participation and fun. The Wairamarama community, expats and supporters of our community are invited to participate. Members of our community who are not interested in playing golf are encouraged to join us afterwards for prizegiving and a catered dinner. The 2024 Wairamarama Golf Invitational will be held before daylight savings ends in April, date to be confirmed.
How will the wider community benefit from this event/project?	This year's Auckland Anniversary flooding, and then Cyclone Gabrielle only ten days later, had a significant impact on the Wairamarama. Not only did our community experienced major damage to property and infrastructure, but a member of our community lost his life in tragic circumstances. The stress and grief caused by this event is still raw and will be for some time. We recognise the importance of regularly connecting with others in a rural environment, so organise a variety of social events, held throughout the year. These are well-attended and are essential for the mental health and wellbeing of many members our

	community. The Wairamarama Golf Invitational is an inclusive event. While not all members of our community enjoy golf, the catered community dinner afterwards is a fabulous opportunity for them to enjoy a delicious meal in a relaxed environment and connect with others.

WAIRAMARAMA Rural Hub

2024 Wairamarama Golf Invitational

The Wairamarama Golf Invitational has been a popular annual community event for over a decade (except for two COVID years). The event consists of nine holes of ambrose* golf at the Onewhero Golf Course, followed by prizegiving and a catered dinner in the clubhouse. Golf teams are mixed - golfers, non-golfers, older kids - and emphasis is on participation and fun. The Wairamarama community, expats and supporters of our community are invited to participate. Members of our community who are not interested in playing golf are encouraged to join us afterwards for a catered dinner.

* Ambrose golf ... Teams of four. Everyone hits, choose the best shot and hit from there, and repeat until the ball is in the hole. Simple.

2023 Wairamarma Golf Invitational

At this year's event, over 30 golfers - young and mature, experienced and not - had moments of brilliance and shots of hilarity. The winning team took out top honours by having the biggest difference between their best hole and their worst. Prizes were also awarded for longest putt and closest to the pin on the ninth hole, among other creative awards.

Our community buffet dinner was created by the culinary magicians of DJ Catering and enjoyed by over 50 members of our community.

It was a well-attended and well received event, which we intend to hold again in a similar format in 2024.

Re: Mental Wellbeing Fund – Cyclone Gabrielle Recovery

To Whom it may concern,

The Port Waikato Volunteer Fire Brigade would like to apply for a funding grant from the above fund, this would be to assist us with the costs involved in a couple of upcoming events. The total amount being **\$408.91**

We are a community organisation of volunteers, who dedicate our time for not only emergencies but also community events.

Every year we have a community Christmas parade, which we (the fire brigade) have a float in, and we are the float which Santa is on. We purchase lollies for this event, which are provided to the community during the parade. The first thing we would like to request funding for is the purchase of the lollies for this parade. The total cost of these being \$93.00 – I have attached to this application a screenshot to show.

Our next event will be a community Fire Brigade open day, this will have different demonstration items from Fire and Emergency NZ, such as the Wendy house and live kitchen fire demonstrations. We are going to hold this in March, but need to confirm with FENZ for the date availability of the demonstration items they have, to get an exact date. We are hoping to have St John and the NZ Police there too. For this event, we would like to provide a sausage sizzle and burgers, so we are requesting the funds to assist with the costs of such. The amount being \$315.91 – I have attached a screenshot to this application.

The use of funds from a grant will assist us greatly, as we wouldn't need to use our own funds for these two events, and they can be put towards special unfunded equipment items we need as a brigade. Thank you very much for the opportunity to apply, and we look forward to hearing from you.

Kind Regards,

Chanelle Brock Brigade Secretary 027 6998058

To Waikato District Council Rural Port Waikato Community Board

And Ministry of Social Development - Mental Wellbeing Fund - Cyclone Gabrielle Recovery

I write on behalf of the Port Waikato Residents and Ratepayers Association to apply for funding from the MSD resilience fund – to assist with the costs of running our annual Christmas Parade – to be held 16 December 2023.

Our Christmas Parade is one of 3 annual events we organise over the Christmas Holiday Season for our small community. It is widely participated in by young and old – both full-time residents and weekenders.

We anticipate 70-100 entrants and prizes are given for the best decorated bike, best costume, best float and best pet to name a few categories.

The parade travels a circuit around Port Waikato enabling all householders to be spectators .

The parade is run by volunteers from both the Port Waikato Residents and Ratepayers Association and the Port Waikato Fire Brigade with the help of a local resident who manages our traffic control requirements.

We put on a sausage sizzle for all the entrants at the close of the parade and a lolly scramble.

We also like to give 2 Christmas Hams to our Traffic Management Volunteers

We would like to apply for 312.50 - budget attached.

We sincerely appreciate your consideration of this application

Thank you Jane Walter

As the pool is an asset to our rural community, keeping it maintained by repainting is very important to its longevity.

The pool provides a place for our community to meet and take time out with their families. We are also able to offer swimming lessons with a local swim instructor offering her services. This means our local families are not traveling to town pools for their lessons, this also captured our wider community families.

Projects Update

Sunset Beach Toilet

We are awaiting the issue of building consent to allow the physical works to complete the full refurbishment of the existing facilities and the installation of a wastewater storage tank.

Detailed design has been completed and the building consent was lodged in October. We are expecting Building Consent approval in November, and physical works is scheduled for 4-6 weeks, aiming for pre-Christmas completion.

Opuatia Court Renewal

Works onsite has progressed well. All subbase works is completed with 90% of the concrete being laid. The aim is to pour the driveway concrete and install turf over the next week (weather permitted).

Pukekawa Tennis Court Renewal

A timeline has been given by the contractor with an aim is to start construction in February 2024 due to procuring materials and contractor availability. The project team is having ongoing communication with the Pukekawa Hall committee.

Onewhero Domain Carpark Upgrade

The contractor has started work on the upgrade. Arborists work has largely been completed with the thinning of trees along the entranceway, hard pruning on the exit to Parsons Road, and removal of a couple of trees. Stormwater swale is under construction currently.

Onewhero Domain Carpark Upgrade – stormwater work underway

Vehicles are unable to access the site until works are complete. Pedestrian access to the clubrooms remains with a portion of the fence opened up between the existing entranceway on Hall Road and the Corner of Hall Rd / Parsons Road.

All going well, this project will be completed by the end of February 2024.

Report title | 2024 Meeting Schedule

Date: 22 November 2023

Report Author: | Lynette Wainwright, Democracy Advisor

Authorised by: Gaylene Kanawa, Democracy Manager

Purpose of the report Te Take moo te puurongo

The purpose of this report is to seek the Board's approval of a proposed schedule of Board meetings for 2024.

The Rural Port Waikato Community Board must agree on a six-weekly cycle for the duration of the 2024 year. It is recommended to align with the schedule of meetings for Council and Council Committee meetings.

This meeting cycle will enable staff to have sufficient time between meetings to address actions and fully report back to the next Board meeting.

The Board may wish to meet between each Board meeting with a workshop to discuss its work programme and connect with its community.

If approved, staff will arrange for meeting invitations to be circulated to Board members and other stakeholders.

2. Staff recommendations Tuutohu-aa-kaimahi

To Community Boards and Committees

From Nicole Hubbard, Corporate Planning Manager

Subject 2024-2034 Long Term Plan update

Date 20 November 2023

Purpose

To provide an update on the process to date for developing the 2024-2034 Long Term Plan (LTP) and outline the next steps and opportunities for involvement.

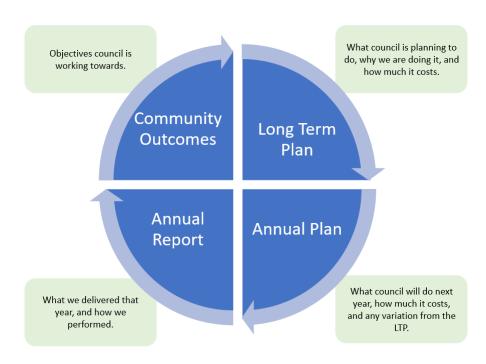

Background

The planning cycle

Every three years Council is required to develop and approve an LTP in consultation with our community. This sets our community outcomes, strategic direction, levels of service, the associated activities/work programmes, and budgets for each of the 10 years covered by the plan.

In each of the two intervening years between LTPs, Council is required to adopt an Annual Plan. The purpose of the Annual Plan is to confirm the assumptions and work programme contained in the LTP for the financial year. It is also the process by which budgets and rates are set.

Finally, at the end of each financial year an Annual Report is produced to show the community whether Council has done what it said it would and what money was spent.

Developing a Long-Term Plan

Every three years, all councils are required to develop an LTP in consultation with their communities, with a 10-year horizon.

The LTP is a key strategic planning document, setting out the vision, financial and infrastructure strategies, key financial policies, community outcomes, levels of service, work plans and budgets for the next 10 years.

Through the LTP we can take a planned approach to our activities, balancing the need to provide good quality services and the needs and aspirations of our communities, with the community's willingness and ability to pay.

Formal consultation on the proposed content of the LTP is done using a consultation document (not a full draft of the LTP); the requirements for this are outlined in the LGA Section 93C.

The LTP is subject to an audit process over both the consultation document and wider project deliverables including the final plan.

The LTP is required to describe:

- what we do the activities/services we undertake and fund, detailing the level of service for each and the key measures we will use to show we are delivering on that service.
- why we do it what outcomes we intend to achieve, the legislative and community mandate that exists.
- what each activity costs and how it is funded.
- how we manage our finances, our infrastructure, and coordinate our resources.
- the impact on all rates.

Our process and your involvement

The LTP project involves many process and content pieces, many of which overlap or are dependent on each other, before getting to the final LTP document that is adopted at the very end.

The key building blocks for the LTP are described in the table below. A project report is provided to the Performance and Strategy Committee at regular intervals to update the Committee on the key building block outlined below.

Key Building Blocks		Where it's at / what's the plan	Status
ı	Community	The Community Outcomes and Strategic	Completed
	Outcomes and	Priorities were workshopped with Council,	-
	Strategic	Community Board and Committee Chairs

		After public consultation on the Community	
		Outcomes, Council adopted both the	
		Community Outcomes and Strategic	
		Priorities on 7 June 2023. These will be used	
		to provide direction to staff when planning	
		work programmes and will be included in	
		the LTP proper.	

Key	Building Blocks	Where it's at / what's the plan	Status
2	Groups of Activities structure	The Groups of Activities (GOA) structure has been endorsed by ELT. Activities have been presented under the structure at all Activity Management Plan workshops and will be formally adopted by Council in 2024.	On track
3	Significant forecasting assumptions	The significant forecasting assumptions were workshopped with Council on 15 May 2023 to enable staff to use them in their planning and budgeting. A review of the assumptions will be completed post the new Government forming. The assumptions will be formally adopted by Council in 2024.	On track
4	Significance and engagement policy	This policy determines how to assess the level of significance of decisions that Council makes, and also sets out how and when communities can expect to be engaged with. Staff have done a high-level review of the document and at this point no significant changes have been identified, the policy will come to Council for formal adoption by the end of 2023.	On track
5	Budgeting process	The budgeting process will set CAPEX and OPEX for each of the 10 years of the LTP. Budget managers will start inputting budgets in November 2023. There will be many opportunities for elected members alongside community board and committee chairs to feed into the budgeting process, when full budgets are presented in late January 2024.	On track
6	Financial and funding policies	There are various financial and funding policies that will be reviewed through the LTP project. These include a review of Council's fees and charges, the Revenue and Financing Policy and several rates remission policies. A workshop was held with Council on 30 May 2023 and a survey distributed to Councillors in September, with a subsequent workshop held in October.	On track
7	Financial Strategy	The financial strategy describes the significant factors impacting the council that have influenced the strategy (e.g. changes in population and land use, and expected capital expenditure needed to maintain levels of service). It also sets out limits on rates increases and borrowing.	On track

Key	Building Blocks	Where it's at / what's the plan	Status
		The review of the financial strategy has begun, and elected members had their first opportunity to input into this at a workshop on 15 May 2023, alongside the infrastructure strategy.	
		Based on the current Annual Plan process, it is clear that delivering existing levels of service will cost more than anticipated (due to inflation, increased in asset values etc.). Any increase to levels of service will need to be offset by reductions/savings in other areas if Council is to stay within rates and debt limits.	
8	Infrastructure Strategy	The infrastructure strategy is a synthesis of the significant infrastructural issues that are likely to arise over the next 30 years, including their financial and non-financial consequences, and the principal options for managing them.	On track
		A high level workshop was held with elected members on 15 May 2023, alongside the financial strategy, the initial draft of the strategy has been drafted, however capital funding is yet to be populated as this will happen post budgeting.	
9	Development contributions policy	The development contributions policy (DCP) enables the council to set charges for new developments to contribute to the growth-related costs of building infrastructure to support the increased demand.	On track
		The DCP is not a policy required to be reviewed as part of the LTP process, however it is included here as the review will occur alongside the LTP development. The LTP will set in place the CAPEX for the upcoming 10 years, so the DCP levies have strong interdependencies with the LTP.	
		A workshop was held with the Development Agreements Committee on 12 June 2023, followed by a presentation to Council on 20 June. The workshops sought direction from Council on potential options that could be investigated through the review of the policy. This was followed up with an online poll for councillors.	

Key	Building Blocks	Where it's at / what's the plan	Status
		The P&R Committee formally approved the scope of the review on 22 August 2023. The next milestone is for the draft policy to be workshopped with elected members at end of November.	
10	Activity and asset planning	Activity management plans describe the activities, services and outcomes Council is delivering to the community. Asset management plans focus on the physical assets, covering condition, lifespan, resources needed to manage the assets, cost of replacing the assets. A number of council workshops have been held on asset and activities management plans which community board and community committee chairs have been invited to participate in.	Monitor
II	Consultation and engagement	Formal Consultation Formal consultation on the LTP's consultation document will be undertaken in March-April 2024. Alongside this Council will also consult on the Development Contributions Policy and Fees and Charges, with subsequent hearings and deliberations to be during May 2024. Information will be provided to Councillors, Community Boards and Committees on how they can prompt the engagement activities and encourage their communities to have their say.	On track

Next steps

Key messages about our LTP process and the pressure facing our Council are currently being prepared, once confirmed these will be circulated to Councillors, Community Boards and Community Committees, so that elected officials can begin conversations with their communities about the LTP and encourage the public to participate in the engagement process in early 2024.
