

Ngaati Aamaru Katoa Trust – Two Year Marae Capability and Readiness Programme

Toituu Marae – 3 Month Summary

Three months into the NAKT Toituu Marae kaupapa, the focus has been on **building strong relationships with marae and papakainga**, listening to their needs and strengthening resilience and readiness.

Engagement has begun with the **seven Te Puaaha Marae**, alongside Mangatangi, Nga Hau e Wha, Whatapaka and Reretewhio Marae. Work is progressing on a **marae-friendly assessment form and data collection tool**, developed alongside our partners.

The key learning so far is that **every marae is different**. Relationships, listening and locally led solutions must remain at the centre of the mahi.

Overall status: ON TRACK — with the next phase focused on continued engagement, identifying shared priorities and strengthening collective preparedness, resilience and mana motuhake.
