3 Background

The Pokeno Community Hall Committee wants to replace and upgrade the community hall's tables and chairs as they have been in existence since the nineteen-thirties and are now beyond repair.

The facility houses several church groups, various community committee meetings, sports groups, and various other community gatherings.

The wider community will benefit by having a facility that is well maintained and fully functional. Currently community members have to often bring in their own items (such as tables) for use in the hall.

4 Options Considered

- I) That the application is approved and an allocation of partial or full funding requested be made.
- 2) That the application is declined.
- 3) That the application is deferred.

5 Financial

Funding is available to allocate for the year.

The project is noted to cost \$14,700.00. The Pokeno Community Committee is seeking funding of \$11,025.00 towards the cost of purchasing new tables and chairs.

Grants up to \$5,000.00 can be funded up to 100% at the discretion of the relevant community board or committee or Council's Discretionary & Funding Committee. For grants above \$5,000.00 a funding cap of 75% of the total project cost applies (whichever is the greater). The total amount granted is at the discretion of the committee/board to which the grant is assigned. The amount requested exceeds the cap of 75% (75% of \$14,700.00 amounts to \$11,025.00).

Application for Discretionary Funding from Kariaotahi Community Centre Committee

Background information to support our application. January 2016

To be able to promote our hall for its widest possible use, Kariaotahi Community Hall committee is applying for discretionary funding to replace and upgrade chairs and trestle tables, and to provide shade and security blinds. These are no longer up to a suitable standard or they are non-existent. Our current stock of chairs and tables are insufficient, mis-matched, unstackable, unbalanced, and they are very old or are past repair. We have no blinds, curtains or window coverings at all, and our current hall hirers have been using a blue plastic tarpaulin for a shade blind; this is not an acceptable look or solution.

The building has a capacity of 50 people, so we believe our facility will be ideal for small groups of users for a wide range of recreational, educational, creative, and social purposes. There are no other community facilities or meeting venues in Kariaotahi.

Our hall has been regularly hired for the past three years by an art group (one day a week), and is currently hired 3 days a week by an educational agricultural training group. The hall is also used for committee meetings and some private functions - but not as many functions as in the past because our facilities are no longer up to a standard expected by potential hirers.

This is our first application for funding. Because we are currently operating on targeted rates from approximately one sixth of our historic community, we would like to apply for 100% of the funding while we work towards reconnecting with our traditional hall community (many of whom are now in the Auckland Council area) and making connections with new residents who are unaware of the facilities and services we could eventually provide.

At our 2015 AGM and subsequent first committee meeting, a new and motivated committee with a wide range of relevant skills investigated developing a strategic plan which will include working towards becoming an incorporated society. As of January 2016, we have a draft strategic plan underway.

We are committed to reconnecting with residents living in the historic Kariaotahi community of the Franklin District Council (now in Auckland City) who currently pay nothing towards the upkeep of the hall. A flyer advertising our recent AGM was delivered to all households in the historic hall community, and this advised locals of the availability of the hall and gave contact details. Since our AGM, some non-Waikato District residents have made a donation in lieu of paying targeted rates, and there are also some past residents and pupils of the school who are keen to support the continuation of the hall by making a donation. We have had monthly committee meetings since the 2015 AGM and have included senior members of the community who have been involved with the upkeep of the hall in the past, so they can pass on some of their local knowledge to new committee members.

One recent committee-led initiative to re-connect the hall with the community was to become an evacuation centre for the local Civil Defence who have provided us with flyers providing relevant information for the local residents, including Auckland City and Waikato District rate-payers.

Other initiatives the committee are working towards include organising a community garage sale and open day on March 19, and a community working bee to bring the grounds and storage areas up to a good standard of maintenance and repair. We have already engaged voluntary help from a group of hall hirers to complete some boundary fence repairs and to remove scrap metal. Further work by these volunteers will include weed spraying and other repairs relevant to their training course.

Interestingly, this group have been renewing community interest in Kariaotahi Hall when they go offsite to do course-related practical skills on local properties.

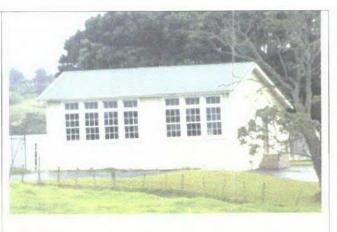

Because of the unique and historic nature of Kariaotahi School, we are committed to protecting and maintaining the integrity of the original building and the grounds as much as possible, and we are investigating how to apply for historic status to further protect the property. There is considerable good will within the community and beyond, and there is a real desire to see the hall brought back up to standard and used once again as a thriving and accessible community centre.

The event has gained momentum over previous years and is widely respected by the community of Huntly and the arts community throughout the Waikato.

There are six categories in which participants can enter.

Alongside the show there will be a competition for the best photo by a young person themed "Huntly Let's Get Together".

Lets Get Together Huntly

Wearable Art Competition 2016

P.O. Box 54, Huntly

7th October 2015

Dear Discretionary & Funding Committee

This is to confirm that Huntly will host another Wearable Arts Competition in October 2016. Lets Get Together Huntly (LGTH) for Huntly has taken up the challenge and is gathering a capable group of interested and skilled people from our district community to assist us to develop a world class event that we can all be proud of.

In 2014 BPW Huntly committee contracted LGTH to direct the 2014 show. Huntly and Districts Business and Professional Women's Association have confirmed their long term priorities have changed and support the running of this event to be handed over to LGTH.

LGTH wish to thank BPW for this opportunity and look forward to honouring the work and history of this event for years to come.

There are six elements that will make up the categories for entry.

More detailed information will be distributed as it is developed however we are intending to have a dedicated website designed to provide real time information and begin the process of archiving past event photos etc.

The date has been planned for the 1st of October 2016.

We are seeking costs towards the advertising, signage and hall hireage for the show.

See attached quotes.

Let's Get Together is an umbrella group operating under the Waikato Enterprise Agency

Warm Regards

New tocus for wearable arts show

NANCY EL-GAMEL

Wearable arts might be a popular attraction in Wellington, but Huntly has had it's own successful show since 1999.

And now, Business Professional Women - more commonly known as BPW - are passing on the baton to Let's Get Together Huntly events committee.

The two groups joined forces for the last show in 2014 but now the whole event will be run by committee members, including Jean Beverland.

3 Background

The main attractions of the event are the array of aquatic events such as the school crews competing in the kopapa racing, and the grand parade of the mighty waka taua (war canoes). Entertainers, local service providers, local businesses and food stall holders are invited to perform, fund raise and to promote their products at the event.

Numbers attending the event continue to increase with 9,000 attending in 2015.

The event is one of New Zealand's most culturally unique experiences and attracts visitors from all over the country. It is being held from 18 to 20 March 2016.
