These sites have been closed with immediate effect due to circumstances beyond our control. Alternative local sites are being sought. If you would like to host a site please contact us. Thank you for your understanding.

Collection events will be held regularly until replacement sites are found – these are listed below.

CONTAINER COLLECTION EVENTS

There is no additional activity scheduled for the Waikato.

Collection Events – To complement our extensive network of collection sites around rural New Zealand, Agrecovery holds a series of collection events in areas without a fixed collection site.

On-property Collection – On-property collections are often available for large users with 300+ containers. Please **contact Agrecovery** for more details.
