Would you like to present your submission to Council at the Hearing? Yes No

Does your property boundary a reserve listed in the draft Natural Reserve Management Plan?
 Yes No

The name of the reserve I am submitting on is Totara Grove

Comments: (You may like to include if you support/don't support the proposal, any suggested changes and reasons why)

This reserve was gifted to the people of Totara Grove, which is used by its residence in various ways, such as gatherings, walking the dogs, and bird watching. It is a small reserve, a reserve with no room for a parking lot. And putting a 5 min track in seems a waste, especially when there are several close tracks that are much longer such as Four Brothers + Ed Hillary Hope track.

As residence of Totara Grove we would like to see the reserve stay as it is.

Prefer to do it online?
