

NEW LOOS YOU CHOOSE

TE KOWHAI WINNER

Earlier this year we asked the Te Kowhai community to have their say on the design of their new town loo. Thank you to everyone who took the time to give feedback, with over 130 people filling in a survey.

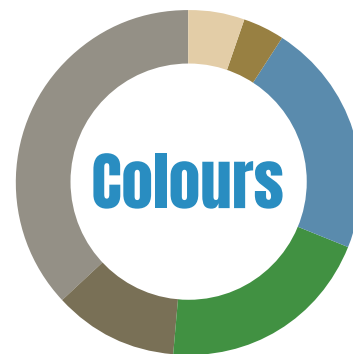

We've tallied up all of the responses, combined the results and got our winner!

Monopitch 54.1% ✓
Miner's Hut Gable 45.9%

Vertical corrugate 50.4% ✓
Weatherboard 40.7%
Fibre cement panel 8.9%

Sandstone 36.7% ✓
School House 5.5%
Fish n Chips 3.9%
Beach 21.9%
Forest 20.3%
Lichen 11.7%

The **WINNING LOO**, as chosen by you

We combined all of your favourite design elements together, and here's the winning loo for Te Kowhai.

You said:

"Thank you for adding this to our village community."
"Can't wait. I've been busting most school trainings."
"Great to see this happen, cool designs!"

Next steps:

We'll take your top selection and use this as our final design. We're planning to install these new blocks before the end of the year.
