Kia Ora Norm,

Lorraine and I had a good discussion this morning, and I certainly came away with greater perspective and insights into cultural values, and more specifically regional/local iwi aspirations for the land, communities and taonga. Thank you, Lorraine for your time.

Attached is a letter accepting the recommendations of your CIA as presented to Gleeson – we look forward to beginning the journey to create a Maatauranga Maaori Environmental Monitoring Plan. I understand that in response Lorraine will provide a formal letter of response on behalf of Waikato-Tainui.

Nga mihi
