Teena koe Kate,

Thank you for the letter. This email is to confirm that Waikato-Tainui supports Norma's recommendations within the Cultural Impacts Assessment on behalf of Waahi Whanui Trust in relation to the proposed managed fill operation (and quarry overburden deposition) adjacent to the Huntly Quarry at the Riverview Road, Huntly.

Ngaa mihi

Kia Ora Norm,

Lorraine and I had a good discussion this morning, and I certainly came away with greater perspective and insights into cultural values, and more specifically regional/local iwi aspirations for the land, communities and taonga. Thank you, Lorraine for your time.

Attached is a letter accepting the recommendations of your CIA as presented to Gleeson – we look forward to beginning the journey to create a Maatauranga Maaori Environmental Monitoring Plan. I understand that in response Lorraine will provide a formal letter of response on behalf of Waikato-Tainui.

Nga mihi
