Kia ora. Tamainupo have never been involved in Huntly Quarries.

I cant make it today. I have significant grants to process.

But let me know how you go today. The info becomes the baseline for us.

Kia Ora Norm,

WDC planner has contacted me to say they have sent notification to Tamainupo Hapu in regard to this application, as apparently their tribal boundary is near the Huntly Quarry site.

Is this correct/appropriate? Nicola Laurenson (WDC planner) has advised them that you are involved, so you may hear from someone.

Andrew Rumsby (our contaminants guy) and I are meeting Emma Cowan (WRC) on site tomorrow at 9am to take some water samples from the streams. We have asked for the tests to be urgently processed. Again, you are welcome to join us. :)

Kind Regards,
