---

Ok thank you.

I might take me some time to turn around the group of marae leaders as discussed, some have made their own position.

So I need to do my best as fast as I can.

Fingers crossed.

**Subject:** Huntly Managed Fill

Kia ora Norm,

Plan attached shows additional wetland pond for Fill Area 2, to provide additional buffering and treatment over and above WRC requirements, to ensure no impact further downstream on Lake Puketirini.

let me know if you can't find anything. I am away next week (until Friday 25<sup>th</sup>), but available after that.

Kind Regards,  
Kate Madsen
