Kia ora, quick note... I have got the go ahead for Waikato-Tainui to take a neutral stance specifically in relation to Fill Area 5 whilst further discussion is to be had in relation to other Fill areas

Thanks for the quick update Wikitoria. Look forward to receiving in writing. Kia Ora :)

Ka pai. Had to rush back to Otorohanga for a 5pm hui but get the letter to our GM for her sign off tonight.

Sent to your manager? Just checking, as it's not in my inbox :)

Kia ora Kate, sorry 4 the muck around. Im on leave but am keeping an eye out. It was sent 2 GM, she is ok with it but asked last night to run it by Tāroi so I am w8g 4 him to respond which he committed to do when he lands. Hes on leave too. Hōhā!

Kia Ora Wikitoria- thanks for the update. It must be very frustrating for you too. Please impress on them the

Every day is crucial.

Ae, I've done that.

I'm sure - Ka pai for that.

Been thinking about the discharge to the stream and Waikato Awa, about the increase in volume/flow from the FA5 and the settlement pond/treatment "train" to the river from the settlement pond. I dont think tgeres bn duscussion about that process from existing treatment to proposal increase in volume and any difference in discharge
