Managed Fill Resource Consent – Bond for Consent Conditions

This letter confirms that Gleeson Group will supply an On Demand Bank Bond on successful application of the Managed Fill Resource Consents XXXXX and XXXX at 310 Riverview Road, Huntly, as part of the conditions of consent.

Bond Value: \$250,000

Term: Duration of the Resource Consents or beyond, until the sites known as 'Fill Area 2, 3 & 4' are of a standard such that the activities and works authorised by this consent no longer require resource consent.

The bond value is calculated to include the remediation within the conditions of the Managed Fill Resource consent including

- Planting for mitigation area
- Topsoil and machine hire for rehabilitation
- Rip Rap and Gabion drainage
- Hay mulching and hydroseeding

Bond value is calculated with 1.5 times risk and redundancy.

Once it is advised that the Resource Consents will be issued, the bond can be activated.

Yours faithfully
