

# KNOW YOUR WATER METER

Getting to know your water meter can help make sure you catch any water leaks or cases of high water use. This can result in saving you money on your bill.

If you want to try out our water bill calculator and find out more about the new system please visit [www.waikatodistrict.govt.nz/watermeters](http://www.waikatodistrict.govt.nz/watermeters)

To find out about ways to manage water use more efficiently please visit [www.smartwater.org.nz](http://www.smartwater.org.nz)
