* Development contributions for reserves must not exceed the greater of:

- 7.5% of the value of the additional allotments created by a subdivision; and
- The value equivalent of 20 square metres of land for each additional household unit or accommodation unit created by the development.

It is the responsibility of the developer to demonstrate that the cap should be applied to the reserves development contribution levies by providing evidence of the value of the land from an approved registered valuer. **Where a valuation is not provided the charge in the table above will be levied in accordance with section 11 of the Development Contributions Policy .**

1. The Horotiu industrial area is subject to a development agreement. The charges in the table will be charged in addition to any charges determined by the development agreement.
