Email Address:

Daytime Telephone No:

Section 2: Connection

Property address:

Building Consent / Subdivision No:

Legal Description:

Please tick one

Standard Wastewater Connection

Applications for residential standard connections to connect to gravity mains must be accompanied by an application for building consent and installation completed by a qualified drainlayer as per approved engineering plans.

A development contribution or capital contribution may be payable and can be viewed on www.waikatodistrict.govt.nz or contact the Council for more information.

Low Pressure Wastewater Connection

Applications for identified low pressure wastewater connections in Whaanga Coast and Pokeno area must be accompanied by building consent and installation completed by a qualified drainlayer as per approved engineering plans. Council will install a Boundary Kit ensuring a wastewater connection at the property boundary.

The property owner shall be responsible for all works within the property boundary, including -

- Installing an approved Low Pressure Pump Station
- Decommissioning an existing septic tank, if applicable

Please note in accordance with the Councils Fees and Charges this connection is installed at owner/agent cost.

A development contribution or capital contribution will be payable prior to connection and can be viewed on www.waikatodistrict.govt.nz or contact the Council for more information.

Section 3: Checklist **Required Information**

Before you submit this application for processing, please make sure you have the following as it cannot be processed without it:

- Attach a site plan to scale showing existing wastewater supply (if any) and proposed wastewater supply, indicating the location of the boundary kit.**
- Attach a copy of the pump station specifications, if applicable.**

Section 5: Declaration

1. A fixed targeted rate charge will apply.
2. An inspection must be called for as soon as the wastewater connection has been made, if not completed by Council.
3. Connection to the wastewater reticulation signifies acceptance of the Council's bylaws and regulations.
4. I understand that plumbing works within my property, including the pump station, are my responsibility.
5. I declare that the information provided on this form is true and correct.

Signed by the OWNER or AGENT on behalf of and with the authority of the owner.
