

Application to remove flow restrictor

Section 1: Applicant

Name:
(Please print)

Property Number.....

Location of Property:

Meter Number

*Please tick one for preferred
method of communication*

Email Address: ☐

Daytime Telephone No:..... ☐

Section 2: Connection/s

I wish to request the temporary removal of the flow restrictor for the above property for a maximum period of 4 months.

Date I would like the restrictor removed:

Building Consent Number:.....

Reason to be removed temporarily:.....

Payment via: Credit Card ☐ Eftpos ☐

Internet Banking ☐ BNZ - Waikato District Council (02-0316-0246517-00)

Section 3: Conditions

1. Flow restrictor removal cost can viewed on www.waikatodistrict.govt.nz or you may contact the Council for more information.
2. All consumption through the meter is the owner's responsibility. This will be charged to the owner and is separate from the flow restrictor removal cost.
3. The flow restrictor is removed to provide full flow water while a storage tank and pump equipment is installed on the property.
4. The minimum capacity of tank required should be 22,000L or provide 48 hours storage, whichever is greater.
5. The flow restrictor is due to be reinstalled at the end of the four month period, regardless of whether building on site has been completed.

Section 4: Declaration

I declare that the information provided on this form is true and correct and agree to the conditions above.

Signed by the OWNER or AGENT on behalf of and with the authority of the owner.
