(Please print) Please tick one for preferred method of communication

Postal Address:

Email Address:

Daytime Telephone No:.....

Section 2: Connection

Property address:

Building Consent / Subdivision No:.....

Legal Description:

Please tick one

Standard Stormwater Connection

If Waikato District Council has approved your consent, the installation and connection to the stormwater system will need to be completed privately by owner/agent and Council will not install standard stormwater.

Before you proceed you must comply and understand your responsibility as the owner/agent, and you must have:

1. Accompanied by building consent,
2. Installation completed by a qualified drain layer or a contractor with Level 4 wastewater and stormwater strand or Qualified drainlayer equivalent for working on wastewater or stormwater assets.,
3. Method and timeframe to complete works,
4. Installation completed to meet Regional Infrastructure Technical Specifications,
5. Completed and returned Pre-network connection checklist.

Section 3: Checklist **Required Information**

Before you submit this application for processing, please make sure you have the following as it cannot be processed without it:

- Attach a site plan showing existing stormwater supply (if any) and proposed wastewater supply.**
- Attach a copy of retention tanks, if applicable.**

Section 4: Declaration

1. A development contribution or capital contribution will be payable prior to connection and can be viewed on www.waikatodistrict.govt.nz or contact the Council for more information.
2. An inspection must be called for as soon as the stormwater connection has been made, if not completed by Council.
3. The installation will be carried out, ensuring that all requirements/conditions per Waikato District Council consent, Stormwater Bylaw 2021, and Regional Infrastructure Technical Specifications are met.
4. Works to be carried out by a qualified drain layer or contractor holding an Level 4 wastewater and stormwater strand or Qualified drainlayer equivalent for working on wastewater or stormwater assets
5. Please ensure as-built information is sent to waters@waidc.govt.nz within 20 working days of being connected to the live network.
6. Connection to the stormwater reticulation signifies acceptance of the Council's bylaws and regulations.
7. I understand that plumbing works within my property, are my responsibility.
8. I declare that the information provided on this form is true and correct.

Signed by the OWNER or AGENT on behalf of and with the authority of the owner.
