

Form 33

Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Auckland, Wellington, and Christchurch

Waikato-Tainui, wish to be a party to the following proceedings:
the Environment Court's reference number for the proceedings ENV-2021-AKL-073.); I am—

- *a person who made a submission about the subject matter of the proceedings.*

I am interested in part of the proceedings.

*The part of the proceedings I am interested in is:

Wastewater Treatment requirements and associated staging provisions.

I am interested in the following particular issues:

Waikato-Tainui seek greater clarity be provided in relation to wastewater treatment and associated staging provisions. In particular Waikato-Tainui have consistently sought assurances that the Huntly Wastewater Treatment Plant be compliant with its resource consent conditions, prior to the APL development connecting to the municipal system. The rezoning decision provided, does not ensure this outcome.

I support the relief sought by Waikato Regional Council because—

Waikato-Tainui support the concerns raised by Waikato Regional Council in relation to Table OHI – 2 Water and Wastewater upgrades. This provision is ambiguous and could be interpreted that only future resource consents are required to be compliant with its resource consent conditions. Waikato-Tainui seek redrafting of this provision to ensure that existing and future resource consents are compliant consent conditions.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
