

Form 33
Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Auckland

I, Derek John Hartley, wish to be a party to the following proceedings:

Proposed Waikato District Plan - ENV-2022 – AKL

I am —

a person who made a submission about the subject matter of the proceedings.

I am not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

I am interested in the part of the proceedings.

The part of the proceedings I am interested in is:

Proceedings that consider the purpose and relevance of the Airport Subdivision Control Boundary (ASCB) and subdivision lot sizes

I am interested in the following particular issues:

The 'carry over' of the existing ASCB rules and associated subdivision limitations.

I support the relief sought because—

The proposed plan intends to 'carry over' the existing ASCB rules and limitations for no good reason and without any supporting evidence to substantiate the need for those rules and limitations. Furthermore, the proposal is no longer reflecting the impacts of the airport on the Tamahere community and the proposal is inconsistent with other proposed subdivision rules of the plan.

Reverse sensitivity concerns held by others should be managed through other means.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.

Derek Hartley
