

Appendix I – Table of amended recommendations

Having reviewed the submitter evidence, the only changes to my recommendations are set out in the table below. All other recommendations are as set out in the original s42A report.

Submission point	Submitter	Support Oppose	Decision requested	Reasons	Recommendation	Section of this report where the submission point is addressed
378.55	Fire and Emergency New Zealand	Support/Amend	<p>Retain Rule 26.4 Subdivision, as subdivision is a discretionary activity, except for the amendments sought below</p> <p>AND</p> <p>Amend Rule 26.4 Subdivision, as follows:</p> <p><i>(x) Every allotment is provided with water supply and complies with the requirements of Chapter 14: Infrastructure and Energy;</i></p> <p>AND</p> <p>Amend the Proposed District Plan to make further or consequential amendments as necessary to address the matters raised in the submission</p>	<p>Fire and Emergency New Zealand require proposed lots to be connected to public-reticulated water supply or water supply sufficient for firefighting purposes. Subdivision that does not comply is a Non-complying Activity. The changes sought promotes consistency across all zones in the District Plan.</p>	Accept in part	31.1
FS1035.162	Pareoranga Te Kata	Support	<p><i>Obtain statement of performance expectation (SPE) to allow submission to be accepted.</i></p>	<p><i>Fire safety and fire prevention to undertake training activities for fire fighters within the region.</i></p>	Accept in part	31.1
