	gardening, cultivation, or disturbance of land for the installation of fence posts
RDI – Earthworks within a significant Maaori site or area of significance	<p>(b) Earthworks within a Maaori site or area of significance identified in Schedule 30.3 or 30.4.</p> <p>(c) The Council's discretion is restricted to the following matter:</p> <p>(i) Nature, design, extent and Location of earthworks in relation to the Maaori site or area of significance;</p> <p>(ii) Effects on heritage and cultural values.²</p> <p>(iii) The necessity of the works and any alternatives considered³</p>

Advice note: The Maaori Sites and Areas of Significance are also recorded archaeological sites and may also contain unrecorded archaeological sites. These sites are subject to the requirements of the Heritage New Zealand Pouhere Taonga Act 2014. Heritage New Zealand Pouhere Taonga must be contacted regarding development on or in proximity to these sites and the need to undertake an archaeological assessment to determine the need for an archaeological authority. The Heritage New Zealand Pouhere Taonga Act 2014 protects both recorded and unrecorded archaeological sites.
