Paul Arnesen for Planning Focus Limited			383.1	Oppose	I live on Ohinewai South Road and the impact to me and my neighbours would be huge. We are living in a rural environment and to have industrial on this road is not wanted and not desired. There is plenty of industrial zoning land all round	I seek that the submission for Ohinewai South Road is disallowed.
					Huntly - just that the submitter wants the SH 1 visibility for advertising, as well as ease of access - with no regard to the people impacted by this. The comment that he doesn't want to impact the residents of Huntly, and by	
					implication that the residents of Ohinewai aren't deserving the same regard. There is also a school on this road and it's dangerous enough with the existing truck traffic going past the school.	
					The Blueprint feedback from the community was Rural Residential and everyone opposed industrial. The land on Lumsden Road is already under review with Sleepyhead.	

Use additional sheets if necessary.

David Peacocke on behalf of Ohinewai Land Limited			428.1	Oppose Ambivalent	The proposed area has changed since the original submission and still covers a large area of good farm land. It would be a shame to turn this land into industrial. It would be a shame for Sleepyhead to build all these new houses and then surround them with industry. What is the use of people moving to Ohinewai when they could be in a worse place than they were in Auckland i.e. an industrial zone? Makes no sense to me to inflict this upon the people of Ohinewai, especially potential new people. Would help grow the idea of a slum estate having it sit within an industrial area. This isn't what the image was depicted to the community by Sleepyhead	I seek that further deliberation is made on this due to the wider impacts.
					Also, this growth goes against the feedback from the community as part of the

Shand Properties Limited			738.1-8	Support	This submission fits with the feedback of the community at the Blueprint meeting for Country Living at 5000sqm. Whilst it's a shame to see good farm land go, if it is developed then it is what the community said is suitable. There are concerns though over the land suitability with the drainage, soil type, etc.	
Ohinewai Area Committee			793.1	Support	Support - no sense being business now. needs to be changed to Country Residential to fit the rest of the area.	
John Kirton on behalf of Ribbonwood Family Trust			863.1	Support	Fits with the Blueprint community feedback for development of Ohinewai to be Country Living of 5000 sqm lots.
