

Maori Land and Papakainga Development

Sec 3(d)Schedule 1 RMA 1991
Engagement - Tangata Whenua
of the area who maybe
affected. This clause affects all
Maaori in the whole district.

NOTES:

Notes:

The Trusts/landowners who we have had discussions and/or worked with staff to identify their needs for Papakainga/Maaori Land Development are listed below. There has been several meetings at times with some of the groups to date but they are noted as an individual projects. Their project movement is slow because of the numerous barriers they have to overcome with the Maaori Land Court (Governance), District Council (Land/Building Rules), Owner Agreement (From Shareholders) and Finance (Grant funding & the ability to lend on the building only. Land is not a collateral). Some discussions are information sharing to let Iwi, Marae and owners know what is happening within the District Planning process and to seek what needs they require so that can be addressed by the review process and then ensuring that enabling provisions are provided for in the notified version of the Proposed District Plan. A collaborative group of agencies was also formed to assist Maaori Land Planning - Waikato Agencies Papakainga Forum. Working with these groups has enabled us to look at their overall needs and aspirations for their wellbeing and Maaori land development and work collaboratively with our partner agencies.

Iwi Reference Group -Representatives from Iwi/hapuu and marae have been attending the 'Iwi Reference Group' meetings that have been held at least quarterly for the past 2 years by the Policy team. They have been reviewing the District Plan topics from the Waikato and the Franklin Sections of the plan to make one district wide Waikato Plan. It was expected that the information was reported back to their Marae or environmental committees. A draft of the District plan will be available for public feedback in late October. A list of kaitiaki from mana whenua /Hapu/Marae who are known to Council and who participate in Council engagement were mailed to attend if they were able. Not all attended regularly because of work commitments. A list of those who attended at different times were:

Kowhai

Raukura Roa & Whanau Hui

Discussion around the MFL and development to provide housing and how to sustain the whanau economic needs. How does the DP provide for this. This was as a result of hearing what other whanau in Ngaruawahia are doing. How could they utilise their properties under current rules or if there was any benefit in changing to MFL in order to provide papakainga. Whanau are going to first see what they need and what they would like and then see if it was doable with their properties. At the other end they would decide if it was better to sell up and purchase a rural piece of land.

04410/832.00
04410/833.00

Have a LIM Report on the property. Currently General title. They have put a bid on the property. Wanted to talk about the option of changing it to Maaori freehold land and papakainga and what they would have to do. Advantages and disadvantages. MSOS discussion about the area and MSOS.

18/04/2018 Parish of Komakarau Allotment Te Whuru Waikai
384 AhuwhenuaTrust
706A Kainui Road Taupiri

Punakai & Sally Waikai are nearing completion of the first house of their papakainga. The process has been followed. A review should be done to look at the process and see how things could be done better for others to follow. There are issues in boundaries and what can be done. Suggested to look at title certificate for boundary measurements also Sally had a survey report down as part of her planning. This should help. Their issues are between their Trust and the Marae Trust. The Council would not be involved.

20/05/2018 Parish of Karamu Lot 31A Ahu Whenua Trust	Kaumatua Lad Kihi	Ngaati Maahanga - Omaeroa Marae Whatawhata	78298838	<p>Meet with Lad to get his history about the Planning provision for Paa Zone in the 2nd Generation Waikato District Plan. I wanted to see if there was a problem if we deleted the name of the zone and to just used Maaori freehold land in any zone, The initial thought was to continue to use Paa zone for all Marae in the district including ex Waikato Franklin section too. The same activities applies to any MFL in any zone you can have papakainga, any Marae etc The activities on Maaori land is by application to the MLC. The new rule ML means its permitted if approved by the MLC process. There is no need to have a Paa zone. Although he agreed he still like ML to have the name Paa.</p>	Ngaati Maahanga
8/05/2018 1A4 Whaanga (ML 14488) Zoned 'Paa'	Sheryl Tukiri			<p>Discussion regarding the proposed change of the Paa Zoning, the similarity of the rules for Maaori Freehold Land in various zones is the same. To seek feedback how their owners would feel about the withdrawal of the provision. Pointed out we would like to use the common term used by the MLC, LINZ and other agencies and wanting to introduce a common name to other TLA's instead of Paa, Marae, Marae Special, Papakainga Zones etc</p>	Ngaati Hounuku/Paetoka

<p>9/05/2018 1D1C2 Whaanga (ML 14486) and Te Kopua 2B3, 3 and 4 Zoned 'Paa'</p>	<p>Angeline Greensill Sheryl Paekau Michael Edmunds</p>	<p>Discussed the same as above. Angeline and others were instigated the Paa zoning in the last District Plan Review 2004 was to see how she would feel about the change. Gave her a brief description of our reasoning. She was not opposed but suggested 'Whenua land' was appropriate with the Te Ture Whenua Act. The suggestion still places a name that is not already common to other TLA's. Suggestion put forward.`</p>	<p>Tainui o tainui Ngunguru te Ao Ngunguru te Po</p>
<p>19/05/2018 Mai Uenuku ki te whenua Marae Monthly Meeting</p>	<p>Get attendance list from the minutes</p>	<p>Sheryl -Gave an update of the progress of the Proposed District Plan and spoke about the the possible change of their 'Paa' zoning to their Marae. They understood the reasoning of using MFL identifcation. Keepa Hiini spoke about the Iwi Symposium he attend and the example process of land planning.</p>	<p>Tamainupo</p>
<p>24/05/2018 Waahi Whaanui Trust - Huntly SO 58263</p>	<p>Hori Awa John Biddle Donelle Hughes Susan Chibnall Sheryl Paekau</p>	<p>Discussed current and future aspirations for the complex. What opportunities do they have for change and how best to use the conditions available. The properties involved were purchased from the Raupatu settlement, they are in general title, Spoke about Comprehensive residential development of separate title and/or change to MFL for Papakainga. Housing whanau is what they need to do.</p>	

8/06/2018 Ko Nga Uri Whakatipuranga o Nga Iriwata Ahuwhenua Trust Waipa Parish Lot 64B4B2	Kimihia Opetaiia-Tahana (85 Wise St, Wainuomata 5014) Hera (Sarah) Huirama Osborne herataia@gmail.com 0212086367 & 2 Others whanau Sheryl Paekau	Responsible Trustee Shareholder/beneficiaries	Kimihia7@yahoo.co.nz	272961871	Had received letter about SNA and neighbours Paa site. Wanted explanation about the affects and what it means for them. Were disturbed about what they cant do on their land. Briefed them about the inclusion of MSOS & MAOS in the district and the rules. Also let them know about the rules proposed for Maaori Freehold land and how it will enable them to develop their land in the way they want to. Provide handouts and draft copies of the TW chapter. What they need to do for their land planning etc They were very happy at what is proposed. They said they will come back after they talk about the things they had learnt. One lady lives in Wellington. Wanted to know about Riparian planting and bush management.	Ngaati Kokako & Tamainupo
