Neutral

The decision I would like is:

Remove the Airport Subdivision Control
Boundary (ASCB) from Map 27.2.

My reasons for the above are:

ASCB unnecessarily restricts subdivision
and development potential of land within
the area. The ASCB is unnecessary to
protect the airport, as reverse sensitivity
issues are sufficiently addressed by
building insulation requirements in the plan.

The decision I would like is:

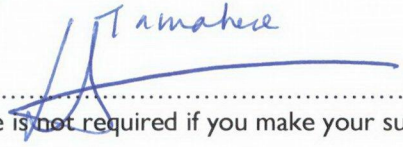

Amend rule 23.4.2 RD1(a)(i)

by changing net site area of 5000sqm
to 3000m².

My reasons for the above are:

3000m² is appropriate for Tamahere
because in future it will become a
dormitory suburb of Hamilton and
greater density of development will
help to meet the demand. Waste water
disposal is still feasible with 3000m² lots.

This lot size will also be adequate to
preserve the green open nature of
