Identification of SNA

The decision I would like is:

That the identified SNA
a 2018 / 784 - I would like this
deleted from the district plan.

My reasons for the above are:

This was man made with Pussy Willow
covering the dug out area for a duck
pond (scum) 10 years ago (see photos att.
My challenge is to verify the credibility of the SNA's ^{initial} identification
- I know that students were hired for holiday
work to scout the district and identify
what they thought were areas of (SNA.)
They were not qualified to identify this
The council then took this information as credible.
