The decision I would like is:

for 233 Wilton Collieries Rd to be returned
back to country living.

My reasons for the above are:

- 1)- This land was rural residential and the reason it was purchased at high cost was to subdivide it to 18 large live style blocks as it was not sustainable for commercial farming.
- 2)- This land has a good housing aspect for large live style properties, for people to enjoy country living
- 3)- There is only a small amount of land that can be used for housing in this area and this is one of them.
