of the Sale and Supply of  
Alcohol Act 2012

**AND**

**IN THE MATTER**

of an application by Shanise  
Maree Jerome-Leota for the  
renewal of a Manager's  
Certificate pursuant to s.224 of  
the Act

**BEFORE THE WAIKATO DISTRICT LICENSING COMMITTEE**

Commissioner: Ms Tegan McIntyre

**DECISION**

**The application for renewal of a Manager's Certificate is granted.**

[1] This is an application by Shanise Maree Jerome-Leota for renewal of a Manager's Certificate.

[2] The Liquor Licensing Inspector and Police have provided reports and do not oppose the application (s 225). Accordingly, this application is decided on the papers (s 202).

**Criteria for determining the application:**

[3] In deciding whether to renew a Manager's Certificate, the Licensing Committee must consider the matters detailed in Section 227 of the Act.

- (a) the applicant's suitability to be a manager;
- (b) any convictions recorded against the applicant since the certificate was issued or last renewed;
- (c) the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm; and
- (d) any matters dealt with in any report made under section 225.

**Reasons and decision:**

[4] The Inspector's report notes that there is no reason to believe that the applicant is not a suitable person to hold a Manager's Certificate. The Police report does not note any convictions recorded against the applicant. The applicant has several years' relevant

experience managing licensed premises. The applicant is currently employed in the industry, and there is no evidence to suggest that the applicant has not appropriately managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm.

[5] Accordingly, I renew the certificate until 15 October 2029, that being three years from the most recent date of expiry and authorise the issue of a notice of renewal.
