Decision No. CertApp059/26

IN THE MATTER of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER of an application by Jake Sho-Hei Wake for a Manager's Certificate pursuant to s.219 of the Act

BEFORE THE WAIKATO DISTRICT LICENSING COMMITTEE

Commissioner: Dr Michael Cameron

DECISION

The application for a Manager's Certificate is granted.

[1] This is an application by Jake Sho-Hei Wake for a Manager's Certificate.

[2] No report under Section 220 of the Act has been received which raises matters in opposition to the application. Accordingly, the matter is dealt with on the papers.

Criteria for determining the application:

[3] In deciding whether to issue a Manager's Certificate the committee must consider the matters detailed in Section 222 of the Act. These are:

(a) the applicant's suitability to be a manager;
(b) any convictions recorded against the applicant;
(c) any experience, in particular recent experience, that the applicant has had in controlling any premises for which a licence was in force;
(d) any relevant training, in particular recent training, that the applicant has undertaken and evidence that the applicant holds the prescribed qualification required under section 218; and
(e) any matters dealt with in any report made under section 220.

Reasons and decision:

[4] The Inspector's report notes that the applicant displays a good knowledge of the Sale and Supply of Alcohol Act 2012 and of host responsibility, and that they are aware of their responsibilities as a duty manager. The Police report does not note any convictions recorded against the applicant.

Document Set ID: 7252723
Version: 2, Version Date: 04/11/2026

[5] The applicant has more than six months' relevant experience managing licensed premises. They previously held a manager's certificate issued by the Hamilton District Licensing Committee but allowed that certificate to lapse on 12 June 2026. The applicant is currently employed in the industry and has received relevant training. They hold the prescribed qualification required under Section 218 of the Act.

[6] The Inspector has not identified any issues of concern in their report to suggest that a certificate should not be issued. The Police report similarly does not raise any issues of concern.

[7] I am satisfied as to the matters to which I must have regard as set out in Section 222 of the Act and I grant the applicant a Manager's Certificate.

[8] The Manager's Certificate may issue immediately to the applicant.
